## selling submodalities

Word Patterns. In our NLP Training we identify that people indicate how they are thinking and which representational system that they are using by the words that they use, the phrases that they use, their language. The language, words and phrases that we currently use indicate our preferred representational system. In NLP we call these words predicates. Noticing peoples predicates, is a ... NLP Word Patterns | Predicates - Excellence Assured - If you take selling a property as an example, there are many ways to present the property either in Visual, Auditory, Kinaesthetic or Auditory Digital language. The more aware you are of the individual you are communicating with, the more you can notice their preferences and the language that they use. Then you can present information back in their preferred system. NLP Kinaesthetic | NLP World - Glossary. -
